

ST. JOHN HIGH SCHOOL

[CO-ED]

Proposed CBSE

where children grow in an atmosphere of aspiration

PROSPECTUS

From, THE FOUNDER'S DESK

ST. JOHN HIGH SCHOOL [CO-ED] was started on 16th January 2005 as a centre for further education, and since its every inception this renowned institution has played a significant role in imparting education.

School has become synonymous with education in this region.

It is the largest and the most progressive, independent centre for education in the city providing qualitative instruction through formal class room teaching.

The institution is certainly situated and easily accessible to student residing in Calcutta and suburbs. The institution's primary mission is to help improve the quality of life and living conditions and to provide qualitative instructions to meet employment objectives of students in the shortest possible time within an instructional frame work geared to the needs of the individual. It has been and will continue to be, our investigate the institution as you plan your future.

We would love to have you in your institution as here you will find people who share your goals, your dreams and your ambitions.

Dr. P. C. Sharma
FOUNDER

OUR MISSION

- St. John High School [Co-Ed] is committed to strong ethical and social moorings, a reputation for quality and efficiency, and a commitment to perpetual renewal.
- Encourages Indian ethos.
- Develops a new paradigm to define 'Good all Round Education'.
- Encourage children to be friends with each other and sensitizes them to be socially conscious citizens.
- Nurtures talent and creates opportunities for everyone to develops to their full potential in a happy stress-free environment.

ABOUT US

At St. John High School children experience the joy of learning and growing up to become socially conscious citizens. We have given serious thoughts and consideration to every single aspect of education and hope to provide service of the highest order, service that will unearth and exploit hidden talents to the fullest extent. We also aim to install strong ethical values in the young minds that will help to lay a solid foundation for development in the formative years.

We strongly believe that as developing of the child's character and stimulating the intellect is a joint responsibility, the school and home must coordinate to enthuse and motivate children to become citizens of tomorrow.

SOCIAL RELEVANCE

St. John High School has a strong social commitment towards the education of the underprivileged children in and around Kolkata. The school also renders public service by supporting a "second school" on its premises. It runs Nursery to Class XII Science, Commerce and Humanities.

GENERAL INFORMATION

There are well-equipped Science and Computer laboratories and libraries for experimentation and research work. Audio-visual teaching aids are extensively used to make abstract topics more interesting.

As quality rather than quantity is our main objective, a team of qualified and trained teachers help us to achieve the target through their competence, dedication and hard work. To upgrade their teaching skills, teachers are frequently sent on training missions and workshops in the country and abroad.

CURRICULUM

The curriculum for Pre-Primary classes is mainly activity based focused on developing various skills of the child. Language development is through story telling and action songs.

In the Primary Section the main language taught is English while Bengali / Hindi is offered as the second language.

In the Secondary Section students are encouraged to work through meaningful project aimed at building essential analytical skills and designed to nurture their natural curiosity and inquisitiveness.

Incorporation of Value Education in the curriculum is aimed at instilling strong moral values in the young minds.

Making student s aware of their Environment through the Green School Programme in collaboration with the Centre for Science and Environment is also an essential part of the curriculum.

School Calendar - The academic year begins in April and ends in March. Saturdays and Sundays are weekly holidays. There are three vacations during the session. The Summer Vacation in May / June, the Autumnal Vacation in October and the Winter Vacation in December / January. These holidays may not be extended or anticipated.

CO-CURRICULAR ACTIVITIES

Education provided at St. John School is meaningful and holistic for due stress is laid on co-curricular activities like Dance, Singing, SUPW and Physical Education.

There being four houses, Topaz Sapphire, Ruby and Emerald, inter house competitions in different games, quiz, dance, drawing and recitation are a regular feature. Students are also encouraged to participate in inter'school events.

Field trips, youth camps and visit to local places of interest are a regular feature.

The students get a platform for showcasing their latent talents through numerous school functions like independence Day, Teachers' Day, Rabindra Jayanti, Children's Day and Plantation Day. The mantle of leadership and responsibility is handed over to democratically elected student representative at the Prefects' Investiture ceremony.

We are committed to dedicating the minds of our children to enquiry, their heart to compassion and lives to service.
